Business Partner

The PTA recognizes the valuable resources of the businesses and companies for which the parents of our students work or which they own. We would like to ask for your help by telling us what type of business you are affiliated with and how we can build a partnership for the benefit of all students at Manatee Bay as well as for the benefit of your business and/or company. This can be accomplished in many ways such as becoming an official PTA member, donating, providing services, or volunteering time during various PTA sponsored activities conducted throughout the school year. The PTA will gratefully acknowledge your contribution and company name to our 1300+ student body and their families by mentioning your company in our newsletter and website. Contributors of \$100 or more (cash or product) will be given the opportunity to display their product or promote their company at select school functions. We welcome and encourage your company to become a member of our PTA. Please take a moment to complete and return the form below. If you have any questions, please contact Cindy Phoa at membership@manateebaypta.com
