Child's Name _____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

MBES would like to give you the opportunity to volunteer in your child's school and classroom. There are many areas where your assistance is needed. Just a little of your time can make a big difference. Teachers, staff, and your PTA use these volunteer forms to contact you throughout the year for help with the various programs your school offers. Please complete the survey and return it to the PTA office. We look forward to working with you!

You must complete the online STAR volunteer application for the Broward County Schools before you can volunteer at the school at www.getinvolvedineducation.com/volunteer-and-mentor-application.html. Your application will take time to process so please complete in advance of the time when you wish to volunteer.
